Mr. Timothy Leary
P. O. Box 69886
Los Angeles, California 90053

Dear Mr. Leary:

I am passing along copies of a letter I received this week purported to be from Larry Flynt.

We have tried to ascertain the authenticity of the letter, but have not been able to confirm whether he wrote it. The return address and postmark would suggest that it's possible.

Therefore, I am forwarding it as requested.

Sincerely,

A handwritten signature in cursive script that reads "Tim Kelly". The signature is written in dark ink and is positioned below the word "Sincerely,".

Dear Timothy, Mom, Rudy and Don Penning

I thought you would like to know
what I am moving Hustle affair to
Denver As I have Bought my old Home
Back in Englewood. I do intend to
continue this campaign for the presidency
as a write in Candidate on the "American
Patriot Party Ticket" as a write in Candidate
my Father Leg Flunt Jr and my Brothers
will be campaigning for me in Colorado
and should I lose I will seek Gary
Harts Senate seat or a congressional
seat somewhere in Colorado. Because
I truly believe that your State is Gods
Country. Ask Gary Hart one question
for me when was he when he was
15 years old I was a Demolition expert
in the Army Engineering Corp. at Fort
Leavenworth Mo. at age 17 I was on
on the Bridge of the USS Enterprise
along side President John F Kennedy
I was the youngest Second Class petty
officer in the Navy at the time and
the only Enlisted Man on Board doing
Top Secret Crypto work without a
Security Clearance Because it had been
refused because I did not have a

High school Education But it was so late for them
 to do anything about it Because it had become one
 of Jack Kennedy's friends. I was an expert surface
 and aerial Navigator at the time my job to monitor
 all U2 flights over Cuba as well as the A4
 Reconnaissance flights out of the Florida Keys they were
 the ones that took the photographs of the missile bases
 in Cuba. Chet Huntley of CBS came aboard to do commentary
 about the first nuclear powered Air Craft Carrier. I was
 the Radar operator tracking Cuban ships when we
 recovered Apollo 11. Chet was one of Hitler's asshole
 of the century that son of a bitch wasn't helping the
 Battle Hymn of the Republic He was scared to death
 I told the C.I.C. Commander and a man named
 Carter from N.C. who was later kicked out of the Navy
 for being gay that if we don't rescue this
 monkey he won't drown he will die of a heart
 attack Because this asshole is scared to death
 The Pollution in this country had better start
 reducing the power of Hitler Because what Jack
 Kennedy didn't tell me Keith Carter Stapleton did
 a good damn on what I have told you would
 be Don Hermit aka Bill Foley of CBS and Shirley Ann
 Lee as well as I have just finished a Book
 called "Farewell America" where I conclude that
 Ronald Reagan ordered the murder of Bobby Kennedy
 and that Richard Nixon was the bag man that
 delivered the money to Hunt and Struger in Dallas
 "Goddie" knows all so does Madam Nancy Please
 see that copies of this letter go to the people on
 the attached sheet of paper as I do not have a copy
 of theirs There is more I can tell you about Hitler
 if you will send a reporter to visit me. Jay Flint
